along waterways, and to otherwise protect and  
enhance the environment;

9  
    

Page 38, after line 11 insert the following:

3  
4  
5  
6  
7  
8  
9  
10

“(C) a certification by an appropriate public  
official that the mitigation activities to be  
assisted with amounts under this section and any  
activities under the comprehensive strategy are  
designed in coordination with other State and  
regional watershed and stormwater management programs  
and standards and comply with any such standards  
established by the Director;

11  
12  
13  
14  
15

“(D) a certification by an appropriate public  
official that the State or community has adopted land  
use and control measures that (in the determination  
of the Director) are more protective against flood  
losses than the criteria established by the Director  
under section 1361; and
