

**Taylor Curley interviewing Florine Henderson clip 2**

**Topic: Experiences with the University of Delaware**

[Florine Henderson discussing the expansion of the University of Delaware into the New London Road Community.]

**Florine Henderson:** ...It was so strange, we were coming down Paper Mill Road, and there was this huge building. I could see this huge building, like where, and it was the Towers.

**Interviewer:** Oh

**Florine Henderson:** And I was like where did Newark get these huge buildings ya know? This is not a city! And it was the Towers, and the Towers was the first invasion. Because the area that the Towers was in....
